## Sweaters---\$1.45

The low price—and it is low, you will agree, for Sweaters, so much in favor for fall wear—the low price is the result of a busy season's business, and consequently broken sizes.

These Sweaters come in cardinal, gray and white. Sizes, 34, 36, 38 and 40. They were our best sellers at \$1.98.

A very pleasant surprise did little Willie Matthew get last night, when about thirty of his little friends gathered at his home, 85 Summer street. About seventy-five young people gathered in Woodman hall last evening for a party given in honor of Mr. and Mrs. Lawrence A. Rising of Jefferson street, who recently returned from their honeymoon passed in Massachusetts. The affair came as a complete surprise to the newly wedded couple, who had no previous inkling of what was to come. Dancing formed the principal diversion during the evening, the imperial orchestra furnished music. The hall was prettily decorated with streamers of crepe paper and colored lights. Across the front of the stage in gilded letters was the word "Congratulations," in large script. At intermission, William Milne, speaking in behalf of the company, presented Mr. and Mrs. Rising a handsome solid oak rocker. The former responded in a neat little speech of acknowledgment. Dainty refreshments of ice cream and cake, punch and wafters were served, dancing being resumed late until 1 o'clock.

## BARRE TO HAVE PUBLIC EXHIBITION OF MODERN METHODS OF KILLING DISEASE GERMS

A movement has been on foot during the past few months to get the residents of this city interested in the destroying of the disease germs that are responsible for the sickness and death in this city. The fact that the greater part of the sickness and death are traced directly to the ravages of the disease germ only gives ample evidence that some action must be taken to relieve the unfortunate condition. After a slight investigation of the different methods and means of obtaining the results required, a few of the public-spirited citizens have spared neither time nor money to give this subject a deep and thorough study, and the result is they are unanimous in recommending "Cantor's Sulpho Naphthol." They find it the most thorough in its effect of anything in this line. This information was secured and obtained for the Barre Drug company, corner Main and Merchant streets, who have all the statistics gathered in this investigation; also the guarantee of the maker, together with testimonials from hospitals, sanitariums and people from every part of the country; also a large supply of the goods on sale. It costs nothing to gain information, even for your own health.
